

FORT HOOD, TX

CAREER SKILLBRIDGE PROGRAM

Airstreams Renewables, Inc. is proud to have opened its Central Texas branch location expanding our successful Career Skills Programs (CSP) to Fort Hood, TX. Review our current class schedule for a list of our on going classes. For more information about attending the Renewable Energy and Communications Tower Technician Program at Fort Hood, contact any of our team members below or review our school catalog. We look forward to welcoming you into the ARI family as we assist you on your civilian career path.

Faculty

Our training instructors come from all over the world with unsurpassed years of combined expertise, experience, a profound respect for safety in the workplace, and a real passion to make your training experience a "career enhancing" one. Meet our East Texas team

AUDALIO SOTO, TRAINING SUPERVISOR

Soto joined Airstreams Renewables, Inc. as the first Training Specialist to launch Ft. Hood, Texas Career Skills Program, following his retirement from the U.S. Army after 22 years of service. During his military career, Soto's specialty was in Personal Security Detail (PSD), Detainee Operations, Combat Logistics, Transportation and Supply. His additional duties included, SHARP (Sexual Harassment/Assault Response and Prevention), ECO (Environmental Compliance Officer), MRT (Master Resiliency Trainer), EO (Equal Opportunity). He is a former graduate of the ARI High Desert Campus in Fort Irwin, CA. He specializes in

OSHA PERMIT-Required Confined Space Entry, Advanced First Aid, Electrical / Hydraulic trouble shooting and Schematic fundamentals.

LUKE PALOMBO, TRAINING SPECIALIST

Luke served 13 years in the US Army serving as an Infantryman for 9 years and a Career Counselor for 4 years. Upon separation he attended ARI in Tehachapi, CA. Upon completion at ARI he started working with Fieldcore as a Wind Turbine Installation Technician. Several months later he took an opportunity to become a Wind Turbine Commissioner. As a Commissioner he completed the GE 1.x Basic ESS Course, GE 2.x LOTO, GE Maintenance Course and has worked on GE 1.65, 1.7, 1.85, 2.3 & 2.5 platforms in multiple different states on multiple different wind farms. Luke then started work with OneWind as a Wind

Turbine Technician V. Traveling to multiple locations and serving in multiple roles from Maintenance to LOTO tech to QA/QC. Luke then assumed a role as a Site Technician with Nordex USA at the Prairie Hill wind farm in Mart, Texas featuring Acciona Wind Power (AWP 3000) 3MW Turbines performing maintenance and commissioning of the turbines. When the opportunity to become a Training Specialist with ARI became available, he jumped at the opportunity to bring his background and experience to the program.

BENJAMIN KELLEY, TRAINING SPECIALIST

Ben served 10 years as an infantryman in the US Army. During his military career he specialized in the operation of light and heavy weapons, the employment and handling of explosives, and the operation of portable electronic missile systems. He spent his last 2 years in the Army as a certified instructor for small unmanned aircraft systems (drones). Ben has 4 years prior welding and 2 years prior electrical experience. As an Airstreams graduate, he is excited to have the opportunity to further assist soldiers through the Airstreams program.

SISSY KENNEDY, OFFICE MANAGER

Sissy Kennedy joined our team in April of 2018 as the office manager for our Fort Hood CSP branch. She proudly supports the Airstreams Renewables, Inc. mission at Fort Hood Texas, a place also known as: “The Great Place”. Sissy brings with her 14 years of experience in office management, accounts payable, accounts receivables, purchasing and bookkeeping. While working as a government Contractor, she supported the US armed forces in Iraq, Kuwait and Jordan. Sissy’s experience and dynamic personality make her a key part of our Career Skill Program at Fort Hood.

MICAH MOSLEY, ADMISSIONS AND PLACEMENT SPECIALIST

Micah served 21 years in the U.S. Army. Micah’s service was very diverse, working on various pieces of equipment ranging from Light, Heavy, Track Vehicles, Generators, and Satellite Communication equipment while serving in CONUS assignments. In April 2008 he re-classed to become a Career Counselor (79S) and Deployed to OEF 08-09 to Jalalabad, Afghanistan where he assisted in the development and direction of command retention programs. Micah also served in South Korea at Camp Casey as a Senior Career Counselor for 210th Fires Brigade from 2013-2014. Micah’s most rewarding part of his military career was mentoring and guiding Soldiers to make a better life for themselves and their families while maintaining Force Alignment. He believes that he is continuing that path by assisting transitioning Soldiers in the Career Skills Program from the Military to the Civilian workforce in his new position with Airstreams Renewables Inc. In his spare time, Micah enjoys spending time with his family, fishing, and traveling.
