

FORT MOORE, GA

CAREER SKILLBRIDGE PROGRAM

Airstreams Renewables, Inc. is proud to have opened its southeastern branch location expanding our successful Career Skills Programs (CSP) to Fort Moore, GA. Review our current class schedule for a list of our on going classes. For more information about attending the Renewable Energy and Communications Tower Technician Program at Fort Moore, contact any of our team members below or review our school catalog. We look forward to welcoming you into the ARI family as we assist you on your civilian career path.

Faculty

Our training instructors come from all over the world with unsurpassed years of combined expertise, experience, a profound respect for safety in the workplace, and a real passion to make your training experience a "career enhancing" one. Meet our Fort Moore CSP team:

ZACHARY BLANCIER, TRAINING SUPERVISOR

Zack was born in New Orleans, LA and raised in Connecticut. He spent the last 21 years serving in the U.S. Army before honorably retiring in 2019. He started his Military career with the First Armored Division in Germany in 1998 as a 19K Armor Crewman. During his 21-year military career he has held every leadership position in the Armor Career Field from Tank Loader to Company First Sergeant. He has served at numerous duty locations in the United States and abroad. He has over 4 years of experience serving as an Instructor and Instructor Supervisor. Zack joined Airstreams in April of 2019. He looks forward to training transitioning Soldiers for their next civilian career opportunity and helping them prepare for civilian life. During his free time, he enjoys fishing, hunting, and working out.

GILBERTO DE LA CRUZ, TRAINING SPECIALIST

Gilbert is from Los Angeles, CA and joined the U.S. Army in October of 1993. He honorably retired in 2018 with 24 years of service. He proudly served in 3rd ID, 1st ID, 1st CAV, 25th ID, and 101st with a total of five deployments. His 7-year instructor background include Basic Leader Course, Army ROTC at the University of Puerto Rico, and as a contractor for Army ROTC at Auburn University. Gilbert is excited to join Airstreams Renewables, Inc. in which he will dedicate his time to help transitioning service members succeed in their future endeavors.

BRIAN FISBECK, TRAINING SPECIALIST

Brian "Fizzy" Fisbeck is from Riverside, CA. In 2006, he joined the U.S Army as an Infantryman, serving a total of 12 years. He retired honorably in 2018. His duty stations included Korea, Fort Bliss, where he deployed to Iraq and Afghanistan and Fort Carson. His final duty station was Fort Benning, GA where he was assigned as a Drill Sergeant. After his military career, he attended Airstreams and was hired by Telecommunications Technical Services (TTS) as a Tower Climber. He enjoyed his work with TTS but would often think about the satisfaction of training young men as a Drill Sergeant. Brian has the knowledge of transitioning out of the military and training soldiers and is confident as an Instructor for Airstreams, he can offer his experience to transitioning soldiers beginning their career. Brian is married to his wife, Gayle, and has three children; his son Shawn, 12, and two stepdaughters, Jennifer, 16, and Scarlett, 12. His hobbies are fishing and sightseeing, especially when he is a few hundred feet off the ground.

WILLIAM HELVERING, TRAINING SPECIALIST

William grew up around Faucett, MO. He joined the U.S Army in Feb 2016. William was stationed at Fort Stewart where he honorably retired in November 2019. After his time in the military and with the skills he obtained from Airstreams Renewables, Inc. he was hired and worked for Skyclimber/Vestas for three and a half years as a Wind Turbine Technician. During his time with Vestas, William was able to advance himself to a Technician Level 3, Loto Specialist, and TBC Certifier. William enjoyed teaching with Vestas so much that he came back to Airstreams to work with Soldiers that are in the same position that he once was in. William is excited to train and guide Soldiers to their future careers outside of the military. In William's free time outside of work, he spends time with his family, golfing, and hunting.

CYNTHIA ORTEGA, TRAINING ADMINISTRATIVE MANAGER

Cynthia has been working in the customer service field for the last 20 years, with over half of those years serving soldiers, transitioning soldiers and their families. She was born and raised in Albuquerque, New Mexico and chose, with her Army veteran husband, to stay in the Fort Benning area after their many travels. They have 3 grown children and many furry children. She looks forward to assisting transitioning military members become successful civilians and serving them as they attend the Airstreams Renewables, Inc. CSP at Fort Moore.
