

JBLM, WA

WELCOME TO JOINT BASE LEWIS-MCCHORD, WA

PACIFIC NORTHWEST BRANCH

Airstreams Renewables, Inc. is proud to have opened its Pacific Northwest branch location becoming an approved Career Skills Programs (CSP) at Joint Base Lewis-McChord, WA. Review our current class schedule for a list of our on going classes. For more information about attending the Renewable Energy and Communications Tower Technician Program at Joint Base Lewis-McChord, contact any of our team members below or review our school catalog. We look forward to welcoming you into the ARI family as we assist you on your civilian career path.

Faculty

Our training instructors come from all over the world with unsurpassed years of combined expertise, experience, a profound respect for safety in the workplace, and a real passion to make your training experience a "career enhancing" one. Meet our Fort Benning CSP team:

RANDY HENRIKSON, TRAINING SUPERVISOR

Randy is originally from Bend, Oregon. Served 20 years in the Air Force as a Missile/Weapons Tech. Multiple deployments to the Middle East and served numerous years in Korea and Japan. Graduated from Airstreams in April of 2016. Worked as an Instructor and Compliance, Training, Safety Manager for a large logistics company. Also, worked as a Low Voltage security company as a Project Manager. Randy volunteers throughout the community as a Security and Safety Officer for a Veterans Recovery Center, Search and Rescue for Pierce County, and working with numerous organizations that feed the homeless in the surrounding cities. Working with Veterans has always been a desire of his and hopes that his experience can help set up students for their future.

LEE SCIFERS, TRAINING SPECIALIST

Lee is originally from Seattle and served 25 years in the USAF as a pilot. He and his wife then spent 5 years living on their sailboat, off the grid, sailing the South Pacific, Hawaii & the west coasts of Canada & Mexico. He graduated from Airstreams in 2017 and worked in the wind industry for 3 years before returning home to the Seattle area. He and his wife volunteer with Habitat for Humanity building houses in the local community. Priorities in his life include renewable energy and helping other veterans smoothly transition to civilian life.

ALEC HAGGERTY, TRAINING SPECIALIST

Alec is from West Virginia and served 9 years in the Army as a Communications Specialist with multiple deployments to the Middle East and Asia. Alec graduated Airstreams in 2017 at JBLM, WA and spent two years as a Construction Manager in the Telecommunications industry. Alec continues his service as a volunteer with multiple Veteran's Organizations throughout the community.

JOANN MEBANE, TRAINING SPECIALIST

JoAnn Mebane completed 12 years of active duty service in the U.S. Army and currently serves in the Washington Army National Guard as a Public Affairs Operations Supervisor managing public, community, and media relations and implementing strategies focused on integrated communications, media relations and community outreach. She is a native of Baguio City, Philippines and holds a Bachelor of Arts in Public Relations and Marketing from Ashford University. JoAnn was a former Airstreams Admissions and Placement Representative. JoAnn likes to activate communities and champion women veterans and spouses.

ALICIA SANDER-PELAYO, OFFICE MANAGER

Alicia is from Lynwood, California and joins Airstreams Renewables, Inc. after 21 years serving in the US Army as a Combat Photographer. Alicia's experience and dynamic personality is a key part of the success of our Career Skills Program at JBLM. Alicia is very active in supporting her community helping to organize events such as Relay for Life, Make a Wish Foundation and Susan G. Kohmen Foundation. She enjoys cooking, photography and the outdoors..

NORM DILLON, ADMISSIONS AND PLACEMENT SPECIALIST

Norm hails from the great state of Michigan (GO BLUE!) but now calls the Pacific Northwest home. He joins Airstreams as an Admissions and Placement Specialist after serving more than 21 years of active duty. His 5 years' experience with transitioning service members further enhances the team at JBLM. During his free time, he enjoys fishing and time on his boat, coaching youth sports with his two sons and time with family. Norm looks forward to helping graduates find employment and continuing to have communication with the Companies that employ them.

ALINA MULDER, CAREER PLACEMENT ASSISTANT

Alina is from Los Angeles, California. With her knowledge of job placement, she joined Airstreams Renewables as a Career Placement Assistant in order to assist the students in finding jobs that they would enjoy. One of her favorite motivational quotes for a job search is: "Choose a job you love, and you will never have to work a day in your life." by Confucius. In her free time, Alina likes to stay at home and be around her family. She anticipates helping graduates with their job search in order to help the families of those who served to have a brighter future.
